Product Description

Deck out your headset and add a little personality to your voice comms—for any Logitech G headset. Mic Covers make it easy for you to show your swag on just about any G headset. Mic Covers are made of lightweight, yet dense and acoustically transparent foam material. Inexpensive, yet highly effective, these mic covers fit a variety of gaming headsets. Each style is carefully designed to protect your microphone of dust, humidity, and human saliva to prolong the lifespan of the microphone as well as maintain personal hygiene for professionals who share devices among their friends. A perfect compliment to the Logitech G Color Collection, Logitech offers a generous package of five mic covers, made and sold exclusively by Logitech G.
