

**Fact Sheet****Logitech® MK295 Silent Wireless Combo**

Less Noise, More Focus

**Announcement Date:** September 9, 2020**Shipping:** September 2020**Available at:** [www.logitech.com](http://www.logitech.com)**Product Description**

The Logitech® MK295 Silent Wireless Combo is Logitech's first truly silent keyboard and mouse combo, created with SilentTouch technology to remove over 90 percent of noise while keeping the familiar typing and clicking feel.\* Available in graphite and off-white, the MK295 Silent combines 103 silent keys in the keyboard, with silent mouse buttons and a middle switch for a more productive and focused work space. Designed for you or your family's computing needs at home or in the office.

**Key Features**

- **Work With Less Distractions:** Innovative SilentTouch technology removes over 90 percent of disruptive sounds for you and those around you - all while keeping the familiar typing and clicking feel of the world's best-selling combo.
- **Full-Size Comfort:** Keyboard with eight convenient shortcuts and full number pad for efficient data entry and easier navigation.
- **Comfortable and Compact Mouse:** Contoured and portable shape with smooth, precise clicking and pointing on most surfaces, and SilentTouch technology for quiet clicks.
- **Lag-Free Wireless:** Forget about drop-outs and lag with a strong, reliable 2.4GHz wireless connection and 10m range. Free up your desk with a tiny USB receiver that stays in your computer.
- **Long-Lasting Battery:** A 36-month keyboard and 18-month mouse battery life\*\* and on/off switches to reduce the hassle of changing batteries.
- **Reliable and Durable:** The spill-proof design, durable keys and sturdy tilt legs with adjustable height add an extra layer of utility and comfort.
