

## **Logitech® G435 LIGHTSPEED Wireless Gaming Headset**

Play Never Ends with this Versatile, Lightweight, Sustainable Headset

**Announcement Date:** September 14, 2021

**Shipping:** September 2021

**Price:** \$79.99

**Available at:** [LogitechG.com](https://www.logitechg.com)

### **Product Description**

Play doesn't end when the game does. You play games, play music, and play with friends. It's who you are. All the time. That's why we designed the G435 Headset for every aspect of your life.

The combo of gaming-grade LIGHTSPEED wireless and low-lag *Bluetooth*® give you the freedom to wirelessly connect to your PC, PlayStation, phone and other devices. Its 40 mm drivers deliver rich and immersive sound while the dual beamforming mics eliminate the mic arm and reduce background noise.

Weighing in at only 5.8 oz (165 grams), G435 is ultra lightweight and comfortable enough to wear all day. G435 fits a wide range of people, but its design has been optimized for smaller head sizes.

G435 is our most sustainable wireless headset. It's certified CarbonNeutral® , which means that we finance high-quality certified carbon offsets, to reduce the carbon impact of the product to zero. It's made with minimum 22% Post-Consumer Recycled Content of the Total Plastic Components.. Its paper packaging comes from FSC®-certified forests. By choosing this product, you are supporting responsible management of the world's forests.

Play Games. Play Music. Play with Friends. Play never ends with G435.

## Key Features

- **Versatile:** Logitech G435 is the first headset with LIGHTSPEED wireless and low latency Bluetooth connectivity, providing more freedom of play on PC, smartphones, PlayStation gaming devices
- **Ultra Lightweight:** With a lightweight construction, this wireless gaming headset weighs only 5.8 oz (165 g), making it comfortable to wear all day long
- **Immersive Sound:** This cool and colorful headset delivers carefully balanced, high-fidelity audio with 40 mm drivers; Discord-certified; compatibility with Dolby Atmos, Windows Sonic for a true surround sound experience
- **Long Battery Life:** No need to stop the game to recharge thanks to 18 hours of play time, allowing you to keep playing, talking to friends, and listening to music all day
- **Colorful and Elegant:** Available in three color variations, Black & Neon Yellow, Blue & Raspberry, and Off-white & Lilac, G435 has built-in beamforming microphones, removing the need of a mic arm.
- **Total comfort:** G435 fits a wide range of people, but it was designed for the comfort of smaller head sizes.
- **More sustainable:** This is one of our most sustainable headsets ever designed. The plastic parts in G435 are made from a minimum 22% post-consumer recycled plastic; paper packaging comes from FSC-certified forests; G435 is Certified CarbonNeutral.
- **Safer:** An optional max volume limiter at less than 85 decibel can be activated to protect eardrums during extended use.
