A Cost-effective USB 3.0 Choice

Positioned as a cost-effective choice, Marvel M01 remains a quality product design. The product incorporates USB 3.0 interface and is also compatible with USB 2.0 and 1.1 interfaces. The USB 3.0 interface features a 5Gb/s bandwidth which is 10x the bandwidth of a USB 2.0 interface!

Rugged and Durable on Hand

Marvel M01 is designed with durable aluminum casing that protects its surface from fingerprints and scratches. Its rugged construction ensures its extraordinary durable performance. Its build-in LED indicator light displays power on and data transfer status.
