

The power to do more

Dell™ Vostro™ 5470

Meet Vostro's newest 14" laptop – Ultra-portable with faster performance and built-in security solutions to keep you productive everywhere you go.

Ultimate Mobile Productivity.

Work smarter and look sharp with the new Vostro 5470 14-inch Windows® 8 laptop. With faster performance, touch screen option¹, and the essential security and support you need to keep you on the winning path.

- **Serious productivity.** You will appreciate the performance boost with 4th Gen Intel® Core™ i3 or i5 processors and 2GB of discrete graphics options^{2,3}. Multi-tasking is effortless with Windows 8 and 14.0" multi-touch display¹.
- **The Ultra-sleek Vostro.** At less than 19 mm thin and weighs starting at 1.54 kg⁴, the Vostro 5470 can fit easily into your Dell carrying case and go wherever your business takes you.
- **Quality Matters.** Encased in durable brushed-aluminum cover in graphite silver or fire red finish and a cool-to-touch aluminum palm-rest, you can type comfortably on the premium chiclet keyboard or navigate precisely with the large multi-touch gesture touch pad.

Uncompromised Performance

Vostro 5470 is available in standard laptop and Ultrabook options for your business and personal needs. Both designed to handle multiple applications simultaneously and fast upload of your data with ease.

- **Efficient Ultrabook™ performance.** With the Ultrabook™ option, you can boot up in seconds and get long battery life with a 128GB solid-state hard drive⁵, plus the fluid touch experience with the 14" HD TrueLife touch display¹.
- **Sound decision.** 2.1 stereo sound enhanced with Waves® MaxxVoice Pro software provides a crystal clear collaboration solution that reduces background noise and boosts audio clarity.
- **Business essentials.** Three USB 3.0 ports including Powershare feature, plus HDMI port for connection to all your essential peripherals and more.

Security is essential. Now it's yours.

The new Vostro 5470 comes with essential security and IT support options, so you get more time to focus on what's important to you.

- **Built-in security.** Built-in fingerprint reader provides added layer of security keeping unwanted users out of your business. And feel confident that your data and your system is well-protected against malware and cyber threats with preloaded security software solutions.
- **Your IT solution.** Opt for Dell ProSupport⁶ services and get the attention you need 24x7, on the phone or online. Get help in person with optional Dell Onsite Service after Remote Diagnosis⁷.
- **Dependable Data Protection.** Storing and recovering data is easy and reliable with Dell Backup and Recovery Manager. Or opt for DataSafe™ online backup, a simplified system that may be perfect for your needs.
